ALOHA!

The Hawaii Interscholastic Athletic Directors Association Conference, now in its 58th year, serves as the most important athletic administrator event in the State of Hawaii. The conference will be held once again at the Hilton Waikoloa Village on the Island of Hawaii. This conference will feature a variety of motivational and educational speakers, professional development opportunities, breakout sessions, an exhibitors' show with vendors from across the country and voting upon recommendations to the Hawaii High School Athletic Association.

The HIADA Conference will once again host Leadership Training Institution courses. Professor Lee Green will highlight a group of local and mainland instructors from across the country whose valuable expertise will be shared. Online course registration is now available. There will be no CAA exam offered at this year's conference, a test date and site is being worked on for the Fall of 2018.

The conference will also host the 3rd Annual HHSAA Student Leadership Summit on June 4th and 5th.

We are fortunate to have outstanding and nationally recognized speakers who will be traveling from the mainland and speaking during the conference. Please welcome and share the Aloha Spirit with them during the conference.

First time attendees to the HIADA Conference are encouraged to seek assistance from a member of the HIADA Committee or KOKUA program volunteers. These individuals are more than happy to answer your questions and assist you with your HIADA conference experience.

All attendees are encouraged to attend the mini educational workshops; there will be a combination of local and mainland speakers covering a variety of topics to choose from that are designed to provide beneficial information to your daily work as an athletic administrator.

The Aloha Dinner will feature a keynote speaker and the HIADA Awards Dinner is important event to recognize colleagues and other individuals' contribution to high school athletics. Out of respect for the award recipients, we ask that you please consider attending this event.

We look forward to your attendance at the 58th Annual HIADA Conference.
